GREENPATH OFFERS:

Mortgage Default and Delinquency Counseling

If you are behind on your mortgage payments, our certified counselors can help you get back on track. We work with you to establish a budget, set priorities and determine strategies for saving your home.

First-Time Homebuyers Education

We can help you prepare for buying your first home. Our certified counselors will educate you on the home buying process, and help you prepare for the requirements and responsibilities of home ownership.

Reverse Mortgage Counseling

Available for homeowners over the age of 62, reverse mortgages use your home's equity to increase monthly income. You need to know the pros and cons. Our certified counselors will explain reverse mortgages, analyze your situation, and help you determine if it is an option you should consider.

Home Equity Loan Counseling

Home equity loans can look quite enticing when you are looking for a way to pay down your debt. We can work with you to determine if a home equity loan is the best solution for your personal situation. If it is, our certified counselors can provide valuable advice to ensure that you don't run debt problems in the future.
